

The Director of Central Intelligence

Washington, D. C. 20505

18 July 1980

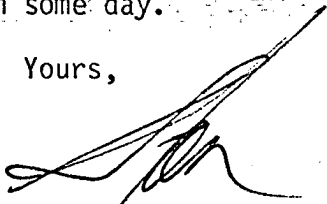

Dear Paul,

I appreciate your taking the time to join me for our recent discussion/luncheon in Los Angeles.

During my present tenure I have participated in several of these small interfaces with business, industrial and civic leaders around the country and have come away with a feeling that I have gained more than the participants from the exchange of viewpoints. This was certainly true in Los Angeles.

Hope we can do it again some day.

Yours,

STANSFIELD TURNER
